

Listan Publications

adding the personal touch to greetings cards

Listan Publications have specialised in producing labels for Greetings Cards for many years, our range of gold and silver labels enable the retailer or consumer to personalise any card simply by adding an age, relation or name label. Therefore it is not necessary for the retailer to hold large stocks of specific cards. Simply by stocking Listan Labels you will be able to satisfy most customers' requirements. Our range of self adhesive labels are also suitable for converting handmade cards into personal cards as they blend in with most designs and appear to be part of the card.
